Dear Ms. Lopez:

I received your freedom of information request regarding lobbyists. Ford County does not employ lobbyists or lobbyist firms. In a recent resolution by the county board, each of our individual offices is a FOIA Officer. I am the FOIA officer for the Ford County Clerk and Recorder. In this office, we are a member of the Illinois Association of County Clerks and Recorders and on September 14, 2009, we paid membership dues in the amount of \$210. You can find the names and addresses of the other county offices on the web at www.fordcounty.illinois.gov.

Sincerely,

Linda Kellerhals
Ford County Clerk & Recorder
